Dear DNR Env. Reviewers:

In order to ensure responsible stewardship of natural resources, and transparency in government, I would like to go on record to ask that the following be done in regards to mile post 7 stream EAW:

- (1) provide an up-to-date Environmental Impact Statement
- (2) require a dam safety permit
- (3) require an emergency plan for dam failures

We are neighbor's to 10% of the nations freshwater and cannot afford to get this wrong.

**Sincerely,**
