**List of Commenters and Comment Themes**

4/22/2015

This list includes all individuals who provided substantive comments on the Northshore Mining Company Progression of the Ultimate Pit Limit EAW during the public review period that was open from September 15 to October 15, 2014, 4:30 PM. Comments were developed into recurring themes that coalesced into over thirty major topics. The comment letter contents were coded to the topics. The following list contains the names of commenters and the codes of the themes to which their comments are associated. Responses to comments are organized by themes in the Record of Decision. Each theme is listed with its code in the Record.
