

Prospectors Loop Trail System Phase 2 (Connect Four) – Record of Decision

Attachment B – Figures 1, 2, and 3

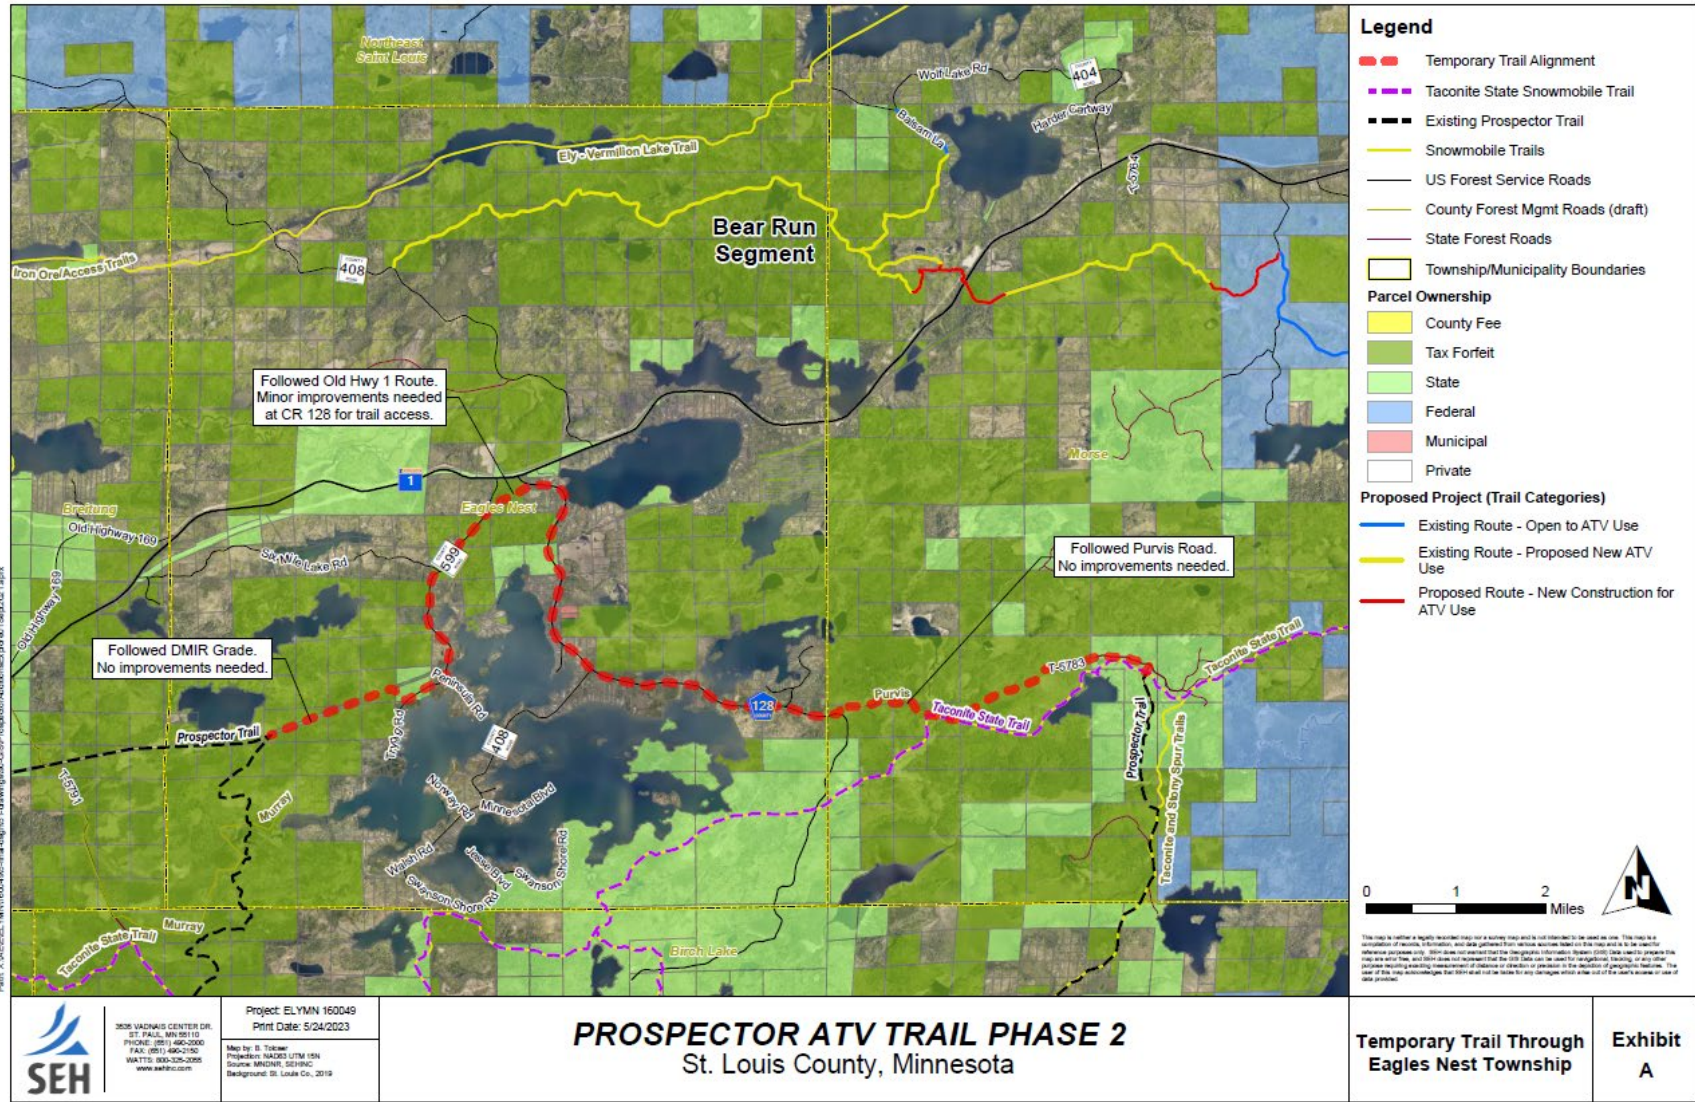

Figure 1. The image shows the Prospector ATV trail temporary trail alignment (in red dashed lines) near Eagles Nest Township, along with land use types, and the current (black dashed lines) and proposed project trails (in yellow and red lines).

Figure 2. The image shows the locations of Balsam Lane, parcel lines, and the potential realignment location.

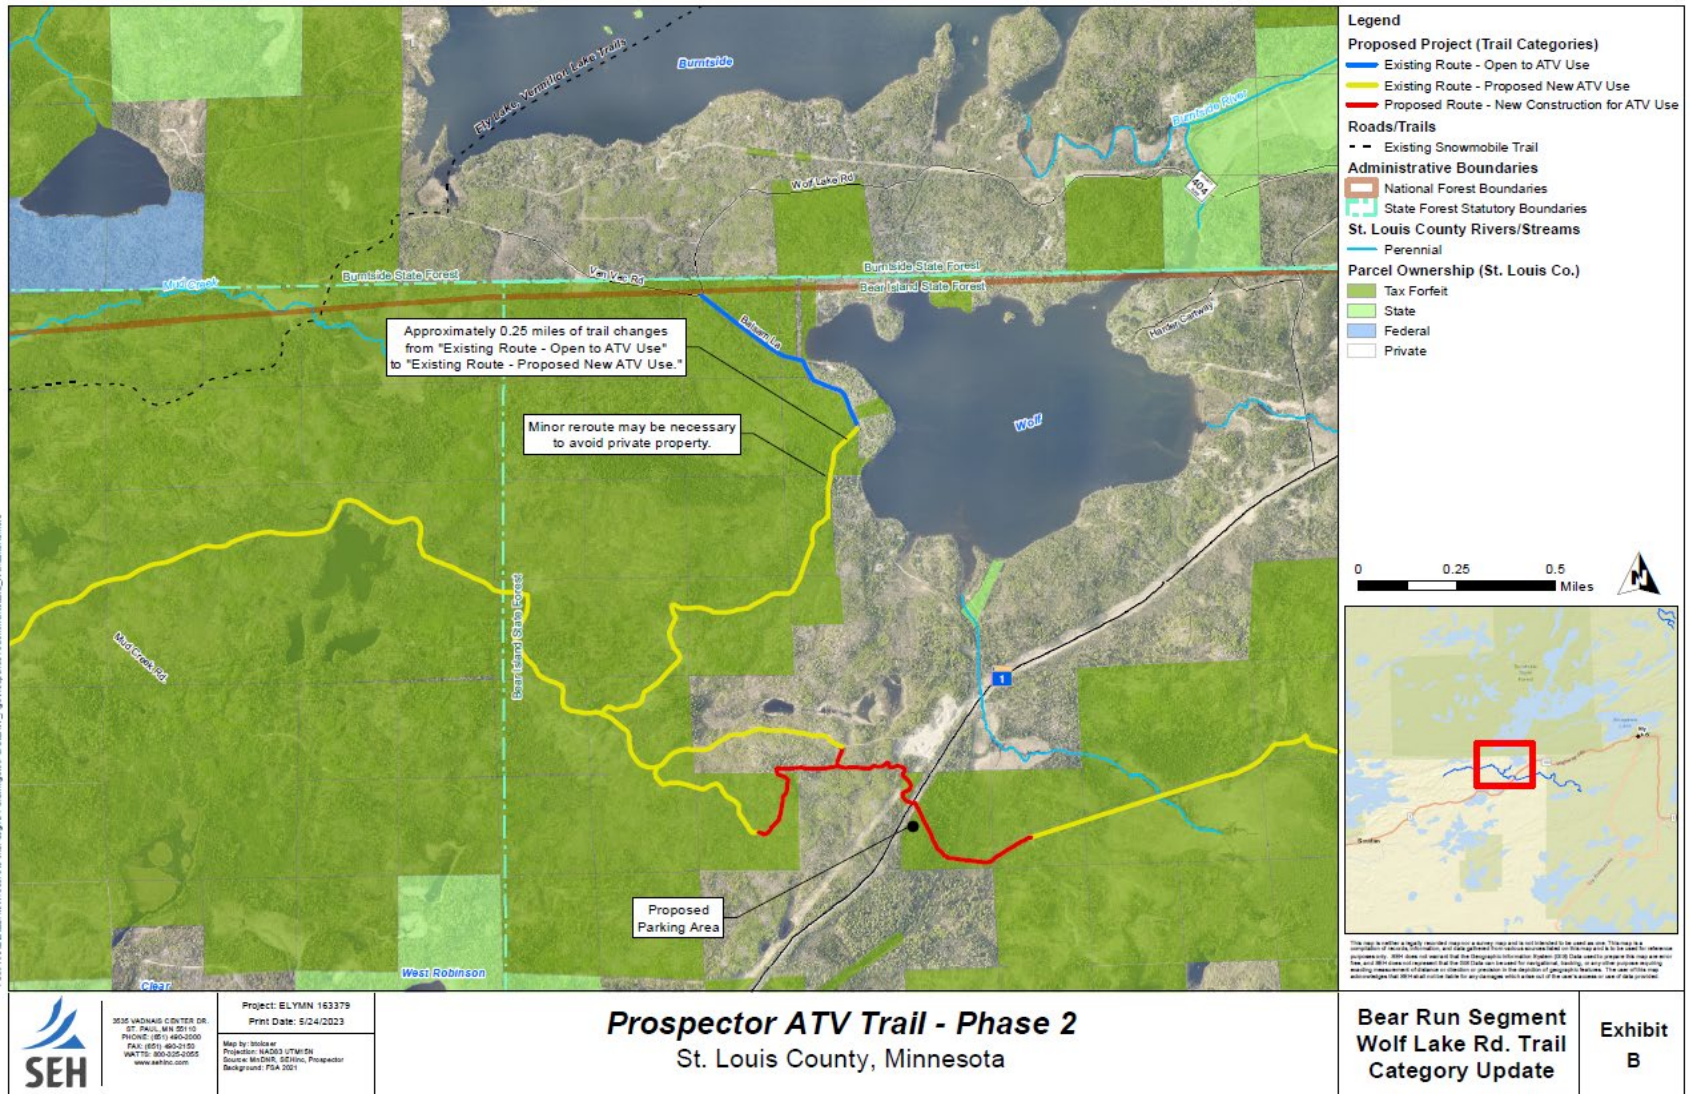

Figure 3. The image shows the location of the Bear Run segment, along with Balsam Lane and the area where the potential realignment may occur.
