The map displays the Tamarack River watershed, which is highlighted in pink. The watershed is bounded by the Tamarack River to the north and east, and by County Ditch 23 to the south and west. The watershed includes several lakes, including Big Sandy Lake, Mud Lake, Tamarack Lake, and several smaller lakes like Wolf Lake, Shumway Lake, and Stony Lake. The map also shows County Ditch 23, County Ditch 29, and County Ditch 42. The Tamarack River is labeled in large pink letters across the center. The map includes elevation markers and a network of roads and ditches.
