Natural Resources Division
of Trails and Waterways. Created
by NW Region GIS Coordinator.

ATV: All Terrain Vehicle, includes Class I and Class II
HLV: Highway-Licensed Vehicle
OHM: Off-Highway Motorcycle
ORV: Off-Road Vehicle
OHV: Off-Highway Vehicle, a generic term that includes ORV, ATV, and OHM, but not HLV.

Forest Roads
- Provide access for resource management activities and public use.
- Are not considered "public highways," and the resource agencies are not "road authorities."
- Are typically open to use by both highway-licensed vehicles (HLV) and off-highway vehicles (OHV).

System Forest Roads
- Gravelled and maintained.
- Minimum width of 14 feet or 1 1/2 to two lanes wide, so highway-licensed vehicles can easily meet.
- Some on Wildlife Management Area lands are signed as closed-to-off-highway vehicles.
- Signed with system road name at major intersections.

Minimum Maintenance Forest Roads
- May be gravelled or native soil surfaced.
- Width is narrow or one lane wide, making it difficult to meet vehicles.
- Caution is recommended when traveling; low-clearance highway vehicles may not be suited for use on these roads.
- Will be signed "Road may be impassable. Travel at your own risk."

Non-designated Routes
- Unassigned routes on State Forest lands classified as limited.
- Available for non-motorized use in an "as is" condition, with the user responsible for ensuring that there is no damage to the route.
- Available for motor vehicle use under the big game hunting and trapping exceptions as per MN Stat. 84.926, subd. 4.
- Illegal to operate a vehicle on these routes in a manner that causes erosion, rutting, or injuries, or that damages or destroys trees or growing crops (MN Rules 6100.1950 Subpart 7A).
- Width and route surface varies. All routes depicted may not be passable for all types of uses.

County-managed Routes
- Inventoried routes on county-managed lands are depicted within the state forest statutory boundary.
- Counties are responsible for permissible uses on these routes.

Practice Closures
- Routes where all public motor use is prohibited, including recreational OHV use and motor vehicle use under the big game hunting and trapping exceptions.
- Routes are signed closed, gates, barricades, or berms may be present.

ATV & OHM Recreational Trail
- Signed and maintained routes for ATV and OHM use that may use system and minimum maintenance forest roads for connections to local points of interest and facilities.
- Additional parking/traging areas may be proposed.

Areas with Limitations on Off-trail and Non-designated Trail Use (MN Stat. 84.926, subd. 5)
- Areas within limited forests the big game hunting and trapping exceptions for ATVs and/or HLVs under MN Stat. 84.926, subd. 2 & 4, do not apply.
- Signs or gates indicate this closure.

Walking Trails
- Signed, maintained routes for walking and non-motorized use.
- Includes routes currently signed and managed as walking trails.

Equal Opportunity to participate in and benefit from programs of the Minnesota Department of Natural Resources is available to all individuals regardless of race, color, creed, or religion, national origin, sex, marital status, status with regard to public assistance, sexual orientation, age, or disability. Discrimination inquiries should be sent to the Minnesota Department of Natural Resources, 500 Lafayette Road St. Paul, MN 55155-4031, or the Equal Opportunity Office, Department of the Interior, Washington, D.C. 20240.
