Welcome to Minnesota's Materials Management Division Cooperative Purchasing Opportunities

[Minnesota's Cooperative Purchasing Venture \(CPV\)](#), established by Minn. Stat. § 16C.03, subd.10, allows eligible entities to purchase goods, certain services and utilities from contracts established by the Materials Management Division (MMD) for Minnesota state agencies. MMD contracts with vendors to provide goods, services and utilities to state agencies. This program creates a legal relationship so that eligible governmental entities can use these contracts just like state agencies. Minnesota Statutes § 471.59, subd. 1, known as the Joint Powers Act, defines the governmental entities that may join the CPV program. They include counties, cities, towns, townships, and school districts, as well as other entities. Laws of Minnesota, 2007, Chapters 83 and 101, added five new categories of certain tax-exempt, non-profit entities and charitable organizations to the list of entities eligible to use these contracts.

Legislation passed in the 2009 Legislative Session encourages all municipalities defined in Minn. Stat. § 471.345 to utilize the state's contracts available under the Cooperative Purchasing Venture. For your convenience, we are providing this list of [State Contracts Available to Cooperative Purchasing Venture Members](#). The list is updated frequently.
