- DNR BWCAW Minerals Management Corridor

Map by the Minnesota Department of Natural Resources

Boundary Waters Canoe Area Wilderness (BWCAW) is a wilderness area located in northern Minnesota. It is managed by the US Forest Service and is one of the largest wilderness areas in the United States. The BWCAW is bordered by the Superior National Forest and the Superior National Forest Boundary Waters Canoe Area Wilderness (BWCAW) Map is a map of the area and surrounding lands, including the BWCAW itself. The map shows political boundaries, public land survey, and other land ownership information. The map is drawn from leasing data and is intended for informational purposes. It is recommended that mining be allowed only by the state or by the federal government. The map is a useful tool for understanding the boundaries and ownership of the BWCAW and surrounding lands.
