

**Gold-in-Till Data**  
*State-managed mineral rights*  
 Cook Area Gold-in-Till Survey  
 Division of Lands and Minerals

This map highlights the gold-in-till survey within a portion of the Cook Area of Northern St. Louis County. Two areas of focus (Skala Road and Murray Road South) contain clusters of high total and pristine gold grains within glacial sediment.

**Number of Gold Grains**  
 (normalized to 10kg sample wt)

	Total	Pristine
0		
1 - 4		
5 - 9		
10 - 24		
25 - 49		
50 - 77		

Focus Area     Cook Project Area
