The Mississippi River is: a trip into the Mississippi River, by familiar with the Upper Mississippi River National Water Trail. DNR Information Center can provide a free copy of the Mississippi River Guide. Scouting Options: When planning any trip on a river, the DNR recommends scouting the area using a kayak or canoe. Vehicle-Take two vehicles. Leave one at the takeout site to allow you to return to retrieve your vehicle and bike in the case of an emergency. Additional permits and fees may be required for camping, fishing, and other activities. The DNR Information Center can provide a list of facilities.

For more information call 1-888-647-2877. (651) 254-9575. (800) 657-9036.
