The Matthew Lourey State Trail is a multiple-use trail. It consists of a complex system of interconnecting trails offering mountain biking, hiking, horseback riding and backpacking.

Summer crossing at the Kettle River should only be attempted during periods of low water. Inquire at the park office for current conditions and more detailed trail maps.

**SPECIAL HUNT INFORMATION**  
**YOUTH DEER HUNT**

Areas closed to hunting

Private property are also closed to hunting, unless written permission is obtained from the landowner.
