ABOUT THE PARK

This park was created in 1923 in memory of victims of the U.S.-Dakota War of 1862. Today, the site serves as a personal reminder of our Minnesota history. Visit for a quiet experience in a small state park. You will be surrounded by lakes with secluded paddling opportunities and wooded trails perfect for hiking.

Enjoy the park’s quiet lakes.

PARK HIGHLIGHTS

Hiking Trail

Mostly flat • Mowed grass

Hike along the wooded shores of two glacial lakes long ago formed by melting ice blocks. Look and listen for birds like pelicans, grebes, herons and waterfowl during your trip.

1-mile loop

Paddle

Bring your own canoe or kayak and paddle across Monson Lake from the park’s boat launch. Make a day of it by portaging a short distance to West Sunburg Lake.

Camp

Relax and stay awhile at a drive-in campsite near Monson Lake. Some sites offer electric. Call 866-857-2757 or visit mndnr.gov/reservations to reserve a campsite.

Fish

Cast a line from a boat or from a wooden fishing pier and try your luck catching walleye, northern pike and panfish. The park is especially noted for “lunker” bass.

MORE TO EXPLORE AT THE PARK

- Warm up by the fireplace in a 1930s stone picnic shelter built by the Veteran’s Conservation Corps.
- Experience a naturalist program at nearby Sibley State Park.
