ABOUT THE PARK

Zippel Bay State Park was created in 1959 to offer recreational access to Lake of the Woods. The ocean-like lake comprises the boundary between the United States and Canada. Lake of the Woods played a key role in the exploration, fur trade and eventual settlement of the Zippel Bay area. With 14,000 islands and 1,485 square miles of water, recreational opportunities are endless. Come for walleye fishing, birdwatching, boating, camping, diverse wildlife or to relax along the sandy shoreline.

The park offers a unique and peaceful experience along Lake of the Woods.

TRAIL HIGHLIGHTS

Hiking Club Trail

1.5 miles round-trip

Mostly flat • Mowed grass • Sand

Walk along the shoreline of Lake of the Woods for the sights and sounds of the big lake. See tangled driftwood in the sand and hear common terns and splashing waves. You may even spot the endangered Piping Plover. Please give any nesting birds plenty of space.

Trail from the Swimming Beach to the Carry-in Access

0.25 miles one-way

Mostly flat • Mowed grass • Packed dirt

Watch for numerous birds and several rare orchids on this wooded trail near the shoreline.

South Loop Trail

2.3 mile loop

Mostly flat • Packed dirt

Bring your camera and binoculars on this hike. The woods along this trail are home to a variety of birds and wildlife. Look for edible wild berries in season.

MORE TO EXPLORE AT THE PARK

- Check out a birding kit, GPS unit, Kids Activity Kit or fishing pole for free from the park office.
- Horseback ride on designated trails. Don't forget to purchase a horse pass.
- Watch for deer, black bear, coyote and other wildlife throughout the park.
- Rent a canoe from the park office and paddle the self-guided water tour around Zippel Bay. Watch for shorebirds along the way.
- In winter, enjoy cross-country ski, snowshoe or snowmobile trails. There is no winter camping at this park.
