2025 Minnesota Conservation Volunteer

DEPARTMENT OF NATURAL RESOURCES

ANNUAL REPORT TO *MCV* READERS WHO SUPPORTED THIS NONPROFIT MAGAZINE AND ITS
EDUCATION AND OUTREACH INITIATIVES FROM JULY 1, 2024, THROUGH JUNE 30, 2025

OUR MISSION IS TO ENCOURAGE CONSERVATION AND SUSTAINABLE USE
OF MINNESOTA'S DIVERSE NATURAL RESOURCES.

What You Support. *Minnesota Conservation Volunteer* is the only state conservation magazine that funds its entire operation through reader donations. This past year, readers covered the cost of publishing and mailing magazines every other month to over 117,000 subscribing households, businesses, and organizations.

Your contributions also supported the *MCV* website and social media. Our website presents current feature stories, including articles geared toward kids and teachers. Our online archive of searchable PDFs allows easy access to every story published in the magazine since October 1940.

Initiated with a bequest from Dale L. Charbonneau in 2012, the *MCV* Education Fund covered the cost of sending more than 5,763 magazines bimonthly to every public school and library in the state. It also made possible an education project with Cass Lake–Bena Middle School in northern Minnesota. Six times during the 2024–2025 school year, participating Cass Lake–Bena teachers received classroom sets. Each student in the school had a chance to read the issue, use Young Naturalists study guides, and take *Minnesota Conservation Volunteer* home.

Welcome New Readers. A total of 3,604 new readers signed up for *Minnesota Conservation Volunteer* this past year. Some 3,927 subscribers gave 7,033 gift subscriptions. Others told their friends and neighbors how to join the readership. Whenever you introduce someone to *Minnesota Conservation Volunteer*, you strengthen our conservation mission.

Paths for Contributing. *Minnesota Conservation Volunteer* asks every subscribing household, business, and organization to contribute. To donate, use the form that comes with each issue or call or go online to give via credit card. You may sign up online to give monthly. Some readers choose to make a legacy gift through a bequest or a gift of retirement account assets.

The amount you give is alway<https://www.cambeywest.com/MCV/?f=paid>s your choice. Unless otherwise requested, the name of each person who contributed between July 1, 2024 and June 30, 2025, appears in this annual report. There were 6,482 anonymous contributions made during this period.

Thank you for your vital support of *Minnesota Conservation Volunteer*.
