

**FLASH FLOOD  
(Renville County)  
June 10-11, 1971**

The heavy rains began about mid-afternoon on the 10th and continued into the early morning hours on the 11th. The greatest amount recorded was 10.3 inches. However, one observer noted a 13-inch tall paint can was full. The area covered by the 4-inch or more rainfalls was 140 square miles.
