

# *Heavy Rains Fall on West Central Minnesota July 3 - 4, 1995*

*Very heavy rains fell over portions of West Central Minnesota beginning on the evening of July 3 and continuing into the early morning hours of July 4. The heaviest rains fell in the vicinity of Milan and Big Bend City where nearly 10 inches was reported. Over many of these same areas, an additional one to two inches of rain (not shown on this map) fell later on July 4 and into July 5.*
