

Aquatic Invasive Species (AIS) Publication Request Form

The Minnesota Department of Natural Resources (DNR) – Invasive Species Program can provide small quantities of invasive species publications to individuals and organizations within the state of Minnesota.

- Digital versions of some materials are available online at <https://www.dnr.state.mn.us/invasives/ais/outreach.html>
- There is a limited supply of hardcopy materials. A certain number of each publication is available for free, but there is a charge for quantities above the listed free amount. There is a maximum quantity you may request for each publication. Any money collected will be used to reprint these materials or similar products.
- Want to print larger quantities on your own? Email AISpublications.dnr@state.mn.us to request printer ready versions of some materials that include space to add a local logo or contact information.

To Request AIS Publications: Complete this two-page form and **EMAIL** it to AISpublications.dnr@state.mn.us OR **MAIL** it to the address listed below.

If you intend to request and pay for quantities above the free amount:

1. Email before ordering/sending payment and get confirmation there is stock to fill your order.
2. Send payment (check or money order) AND a copy of this completed form to: **MN DNR, Division of Ecological and Water Resources, 500 Lafayette Road, Box 25, St. Paul, MN 55155.**
