

Aquatic Invasive Species (AIS) Publication Request Form

The Minnesota Department of Natural Resources (DNR) – Invasive Species Program can provide small quantities of invasive species publications to individuals and organizations within the state of Minnesota.

- The DNR wants to distribute as much information as possible, however, there is a **limited supply** of hardcopy materials. All money collected will be used to reprint these materials or similar products.
- Some materials are available online in standard and customizable formats, so that you may print them on your own. Click on the highlighted links in this form or view them at www.dnr.state.mn.us/invasives/ais/outreach.html.
- A certain number of each publication is available for free, but there is a charge for quantities above the listed free amount. There is a maximum quantity you may request for each publication.

To Request AIS Publications: Complete this two-page form and **EMAIL** it to AISpublications.dnr@state.mn.us OR **MAIL** it to the address listed below OR **CALL** 651-259-5100.

If you intend to request and pay for quantities above the free amount:

1. Email or call before ordering/sending payment and get confirmation there is stock to fill your order.
2. Send payment (check or money order) AND a copy of this completed form to: **MN DNR, Division of Ecological and Water Resources, 500 Lafayette Road, Box 25, St. Paul, MN 55155.**
