Verdi Buried Sand and Gravel Aquifers
Murray County, Minnesota

Figure 8
Unit 1 Buried Sand and Gravel Aquifers
Murray County, Minnesota

Legend:
- Buried Munsue
- Gravel
- Sand and gravel
- Clay and silt
- Outwash transport direction
- Sand and gravel thickness greater than or probability greater than 20 feet
- Burial backfill ridge
- Approximate buried channel axis
- Approximate buried channel axis (Detailed Buried Gravel Study Project)

(Revised March 19, 2002 with data from the Surface Geology Survey.)
