

Southeast Minnesota Habitat Improvement Projects (Through 2008)

Fillmore County

These maps are intended as a graphical representation of habitat improvement work that has been completed along streams in southeast Minnesota. The different projects reflect evolving techniques and will be different depending on when and where they were completed.

For more information on the projects please contact the Lanesboro Area Fisheries office at (507)467-2442.

Legend

- Habitat Improvement Projects
- Designated Trout Streams
- Streams
- Fishing Access Easement
- Forestry Units
- Wildlife Management Areas
- State Park Statutory Boundaries

These maps are for general reference only. For detailed information on angling regulations see the Minnesota Fishing Regulations booklet and observe signs posted on the stream. Periodic updates to these maps will be available on the DNR Web site at www.dnr.state.mn.us.
