2001 Minnesota Firearms Deer Season

2001 Minnesota Archery Deer Season

Antlerless deer and legal bucks may be taken by archery, except only legal bucks may be taken in permit areas that have no antlerless permits or have Youth-Only Antlerless Permits, during the following seasons:

- Northeast Border Zone (Permit Areas 116 and 127):** September 15-November 18.
- Remainder of State:** September 15-December 31.

Archers are restricted to bucks-only hunting in those antlerless permit areas 116 and 203. However, they may take deer of either sex during the Zone 3A (bucks-only) firearms season.
