USFS Land (National Forest)	0
Privately Owned Lands	
Forest Legacy/Forests for Future	0
Walk-In Access	0
Total for Public Hunting	12.9

Wildlife Manager Report

Deer Permit Area (DPA) 648 is located in the heart of the driftless area, a rugged region of bluffs and valleys that contains some of the state's best deer habitat. Most of DPA 648 is privately owned, but there are numerous large tracts of State Forest land available for public hunting interspersed throughout the area. DPA 648 is a designated CWD Disease Management DPA. However, deer populations in DPA 648 appear to be above the goal set in 2021 to reduce the population by 25% based on buck harvest and hunter success rates. Thus, a 5-Deer limit with an Early Antlerless season designation will be implemented in 2025 in an effort to curb additional population growth and ultimately bring the population down to the intended goal. Hunters may tag up to three bucks in this DPA - one each with an archery, firearms, and/or muzzleloader license. Please refer to the hunting regulations for details regarding carcass movement restrictions, CWD sampling protocols, and DNR-provided carcass dumpsters and quartering stations.

DNR Wildlife Contact(s): Ryan Tebo, 507-206-2858

Important Chronic Wasting Disease (CWD) Information
Mandatory CWD testing Nov. 8-9

Carcass movement restrictions in effect

A deer feeding and attractant ban is in effect for Fillmore and Olmsted Counties.

See mndnr.gov/cwd/feedban.html for details

2024 Firearm Deer Hunter Statistics

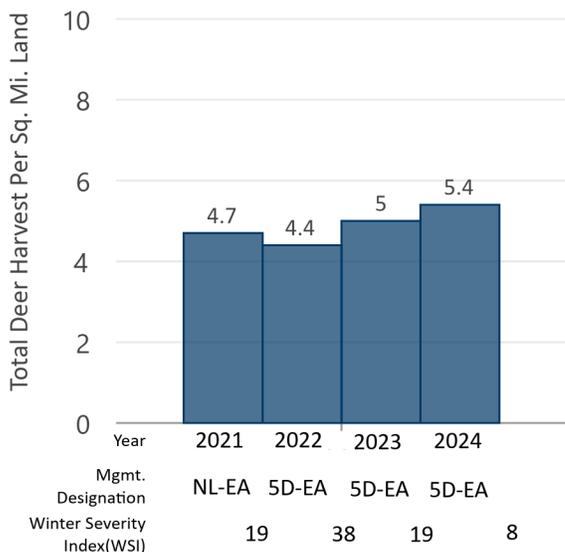

Hunters per Sq. Mi. Land: 9

Hunter Success: 48%
