

SOCIAL SECURITY CERTIFICATION

This form is for customers **without** a Social Security Number applying for Minnesota Department of Natural Resources non-commercial game and fish license(s). Certification form **must** be completed prior to applying for a game and fish license.

Federal law requires the Minnesota Department of Natural Resources (DNR) to collect your Social Security Number (SSN) when applying for a game and fish license for child support enforcement purposes. If you apply for a game and fish license and you do not have an SSN, you must provide a certification that you do not have a SSN. If you do not give us your SSN or a certification, a game and fish license cannot be issued. The federal law is Title IV-D of the Social Security Act, U.S.C., Title 42, section 666(a) (13). The DNR is required to provide your SSN or certification to the Minnesota Department of Human Services for child support enforcement purposes.

Complete the following information, sign it, and return the form to an ELS License Agent or the DNR (address listed below) prior to applying for a license.
