SPECIAL TERMS AND CONDITIONS

- 1. Permittee is responsible for providing emergency medical services or making provisions for these to be available.
- 2. Permittee is responsible for providing all personnel necessary to run the event.
- 3. Permittee is responsible for cleaning up all litter and debris and arranging for its lawful disposal.
- 4. Permittee is responsible to provide adequate sanitation facilities prior to the event that meet health codes.
- 5. Permittee shall properly post and sign the event area to notify the general public that it is occurring and announce the event via local media at least three (3) weeks in advance of the event.
- 6. Permittee shall obtain an Insurance Certificate identifying the county Sheriff's office as an additional insured. (See M.S. 3.736).
- 7. Permittee shall not allow event spectators and or participants to interfere with other user's enjoyment of public waters except as outlined in the permit.
- Permittee shall remove all signs, structures, and other materials and equipment from the unit within one (1) day after the event and will repair any damages and restore the area within two (2) days after the event.
- 9. Permittee shall not use DNR employee(s) or DNR unit names in a manner that would imply endorsement of the event.
- 10. Permittee agrees to reimburse the DNR for expenses incurred because of this permit. Permittee shall avoid damage to facilities and natural resources.
- 11. No intoxicating beverages shall be sold or served at this event, unless permitted by the local government authority for which the event is located. (Minnesota Statutes 340A.403)
- 12. Permittee shall insure safe and adequate parking and traffic control.
