#### Federal Refuges

Motorboats prohibited on all federal refuges – except as noted. Check the individual refuge web site or phone for updates or details.

#### ***Motorboats permitted:***

- Upper Mississippi River National Wildlife and Fish Refuge (Wabasha, Winona and Houston counties). This is a brief summary only and users should go to the refuge website: [Upper Mississippi River](#) or call the refuge office at 507-452-4232 for more details and maps. The use of watercraft of all types and means of propulsion is permitted on all navigable waters of the refuge in accordance with State regulations, subject to the following conditions:
  1. *Electric Motor Areas* – These areas are closed year-round to all motorized vehicles and watercraft, except watercraft powered by electric motors or nonmotorized means. The possession of other watercraft motors is not prohibited, only their use. For example, anglers could switch from using an outboard motor to an electric

trolling motor when entering these areas. These areas are: Island 42-Pool 5, Snyder Lake-Pool 5A, Mertes Slough-Pool 6, Browns Marsh-Pool 7 and Hoosier Lake-Pool 10.

2. *Slow, No-Wake Areas* – From March 16 through October 31 in these areas, watercraft must travel at slow, no-wake speed. No airboats or hovercraft are allowed during same time period. Respective state definitions for what constitutes slow, no-wake speed or operation apply. These areas are: Nelson-Trevino-Pool 4, Denzers Slough-Pool 5A, Black River Bottoms-Pool 7, Blue/Target Lake-Pool 8, Root River-Pool 8, Reno Bottoms-Pool 9, Nine Mile Island-Pool 12, and Princeton-Pool 14.
3. *Slow, No - Wake Zones* – Watercraft are required to travel at slow, no-wake speed at all times. Respective state definitions for what constitutes slow, no-wake speed or operation apply.
4. Boats may not be moored, beached, or stored on the refuge without being used at least once every 24 hours. Mooring within 200 feet of refuge boat landings is prohibited. Boats moored in violation may be impounded at the owner's expense.

- Tamarac National Wildlife Refuge (Becker County) - [Tamarac National Wildlife Refuge](#) / 218-220-5507 – Fishing, boating, canoeing and kayaking are permitted only on lakes open to summer fishing and fall migratory bird hunting. Blackbird Lake is open to non-motorized boats or electric boat motor use only (only open spring and summer). Swimming, waterskiing, tubing, and motorized personal watercraft are prohibited.
- Minnesota Valley National Wildlife Refuge (Hennepin, Scott, Carver and Dakota Counties) – [Minnesota Valley National Wildlife Refuge](#) / 952-854-5900 – Boats are allowed in the main channel of the Minnesota River only, with the following exception: non-motorized boats are allowed in areas open to waterfowl hunting during the waterfowl hunting seasons only.

***Electric motors allowed:***

- Big Stone National Wildlife Refuge (Big Stone and Lac qui Parle Counties) – [Big Stone National Wildlife Refuge](#) / 320-273-2191 – Use of nonmotorized boats and boats equipped with electric motors is authorized only within the main channel of the Minnesota River. Boats are prohibited on all other refuge waters.
- Rice Lake National Wildlife Refuge (Aitkin County) – [Rice Lake National Wildlife Refuge](#) / 218-768-2402 – Boats without motors or boats with electric motors are permitted on Twin Lakes, Mandy Lake and the Rice River only.
