Houston County's Hydrology

Join a public workshop on the new groundwater atlas

In person or online!

Learn about...

- The area's karst geology
- Groundwater flow
- Water chemistry
- Water table depth and elevation
- Aquifer pollution sensitivity
- Local groundwater use
- Practical applications of atlas information

In-person attendees will receive a free printed copy of the atlas.

Wednesday, February 25, 2026* 1 p.m. to 4 p.m.

Conference Room/EOC | Houston County Criminal Justice Center | 304 S. Marshall St., Caledonia, MN

*In the event of unsafe travel conditions, the workshop will move to Tuesday, March 10. Those registered will be notified by email.
