This map was compiled and generated in a geographic information system. Digital data products are available from the DNR County Geologic Atlas Program at mndnr.gov/groundwatermapping.

This map was prepared from publicly available information. Every reasonable effort has been made to ensure the accuracy of the factual data on which this map interpretation is based. However, the DNR does not warrant the accuracy, completeness, or any implied uses of these data. Users may wish to verify critical information; sources include both the references in the report and information on file in the offices of the Minnesota Geological Survey and the DNR. Every effort has been made to ensure the interpretation shown conforms to sound geologic and cartographic principles. This map should not be used to establish legal title, boundaries, or locations of improvements.

Base modified from Minnesota Geological Survey, Sherburne County Geologic Atlas, Part A, 2013.

Universal Transverse Mercator projection, Zone 15N, North American Datum of 1983, North American Vertical Datum of 1988.

GIS and cartography by James A. Berg, Valerie Woelfel, and Holly Johnson. Edited by Ruth MacDonald.
