

MINNESOTA POINT NATURAL RESOURCES EDUCATION

PROJECT ID:

306-24-00

YEAR:

1999

GRANTEE:

Park Point
Community Club

COUNTY:

St. Louis

CATEGORY:

Education & Outreach

GRANT AWARD:

\$11,133

TOTAL PROJECT COST:

\$16,000

The mission of Minnesota's Lake Superior Coastal Program is to preserve, protect, restore and enhance coastal resources for present and future generations. We provide technical and financial assistance for local communities to balance protection of coastal resources with providing residents and visitors places to work, live, and play.

SUMMARY

The Minnesota Point sand spit contains public land with a fragile, sensitive, and unique environment. The Park Point Community Club received a grant to print additional copies of the Minnesota Point Environmental Management Plan and distribute to users of Minnesota Point. The Community Club also developed and posted needed signage, to protect dune restoration areas, provide visitors directions, and post important usage rules to protect Minnesota Point.
