Presentation by Bradley Harrington

Bradley Harrington, DNR Tribal Liaison, presented on his perspectives of the DNR’s tribal engagement efforts. Some of his suggestions for the council and staff regarding tribes in and around the coastal waters would be to do research on websites that have an abundance of information; and reach out to the tribes themselves (i.e. Tribal Historians or Story Tellers). There was a question and answer period where the council members and staff were free to ask questions.

Finance Committee Report

Matthew Brown presented the Finance Committee Report and a “round robin” for questions followed. Committee members shared their perspectives on what it is like to serve on the committee.

Grants Committee Report

Barb Liukkonen presented the Grants Committee report, which involved their work on the priorities and criteria rating. Discussion followed the report. Majewski called a VOTE TO APPROVE THE PRIORITIES AS REFINED DURING DISCUSSION AND SCORING CRITERIA AS PRESENTED (committee recommendation so no motion needed). PASSED UNANIMOUSLY. Committee members shared their perspectives on what it is like to serve on the committee.
