

DNR Local Governments Forum – June 21, 2023
Riprap: Permitting, Impacts & Higher Standards

Agenda

- Welcome & Introduction
- Presentation & Discussion on Riprap, featuring:
 - Jen Sorensen, DNR Public Waters Permit Program, who will discuss applicable public water requirements and needs for updating DNR guidance (looking for local volunteers to assist).
 - Ceil Strauss, DNR Floodplain Program, will discuss applicable floodplain regulations and allowable rise.
 - Dan Petrik, DNR Shoreland Program, who will discuss applicable shoreland regulations and DNR vs. local jurisdiction at the OHWL.
 - Jacquelyn Bacigalupi, DNR Fisheries Habitat Unit, who will discuss impacts of riprap on fish and habitat.
 - We will also be joined by the following local zoning administrators, who will discuss impacts and higher standards in their counties:
 - Karola Dalen, Carlton County
 - Roxanne Ashman, Benton County
 - Brent Rud, Beltrami County
- Training Updates
- Future Forum Topics
