

DNR Local Governments Forum – April 16, 2025

Shoreland Activity Survey: Riprap Results and Discussion

9:30-11:00 a.m.

Agenda

- Welcome & Introduction
- Presentations & Discussion:
 - Dan Petrik, DNR: Summary of Riprap Survey – 10-15 mins.
 - Forum Questions:
 - *How has the amount of natural shorelines changed in your city or county over the past five years?*
 - *How important are natural shorelines to keep?*
 - *How important are natural shorelines to restore?*
 - *Does your community require a permit for riprap projects if the amount of material involved exceeds 10 c.y.?*
 - *What is the area your community includes for determining if the 10 c.y. threshold is met?*
 - *How do you turn for help when evaluating riprap projects?*
 - DNR Water Resources Unit: DNR Regulations on Riprap – 40 mins.
 - Dan Petrik, DNR: Shoreland Standards – 10 mins.
 - Forum Questions:
 - *How familiar are you with the no permit required criteria?*
 - *Does this DNR approach to riprap affect how your community regulates riprap?*
 - *Do you have any suggestions for how DNR could approve its approach to riprap?*
 - Dan Petrik, DNR: Next DNR Steps Going Forward – 10 mins.
 - DNR No-permit Required
 - DNR Shoreland Standards for Riprap
- Questions & Answers
- Training Updates
