¹Deer permit areas 679 and 684 are included in 100 Series. Deer permit areas 604, 661, 655, 666, and 671 are included in 200 Series; in 2025 a person could hunt either the Statewide or Late firearms season series regardless of license type and thus hunter numbers and success rates are only an estimate.

² Cannot estimate hunter numbers for youth, early antlerless or late CWD hunts because licenses are not exclusive to those seasons.

³Number of hunters that harvested at least one deer.
